Some people called me a bookworm.

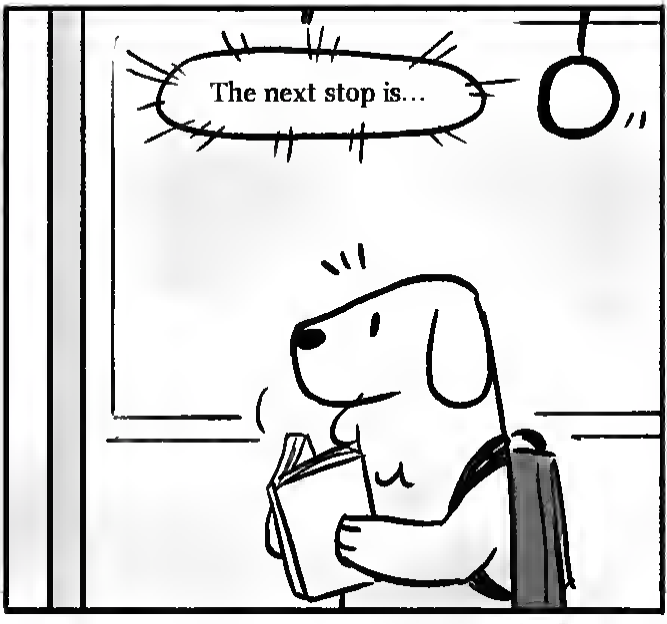
I didn't pay them any attention because

I was too focused on my book.

I can catch a glimpse of the life in

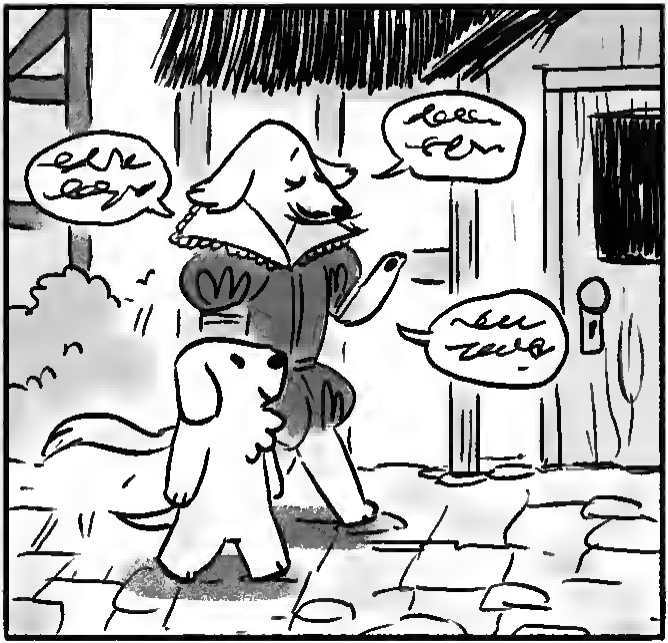
somewhere I have never been before.

Haha, it's nothing.
I'm glad I can help.



The next stop is...

I read before I sleep.



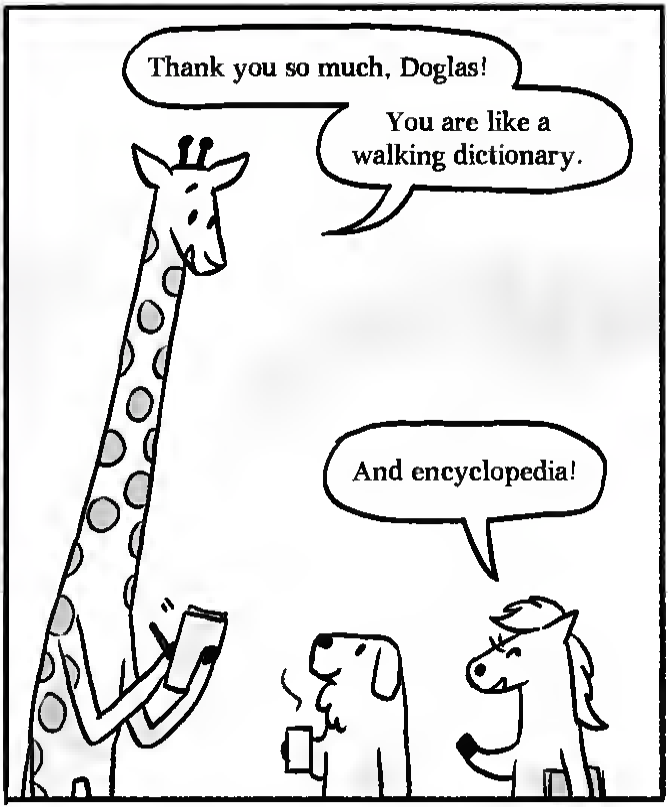
Reading helped me to concentrate and forget about my surroundings, because I am very sensitive to the sounds and smells around me.

They just didn't appreciate

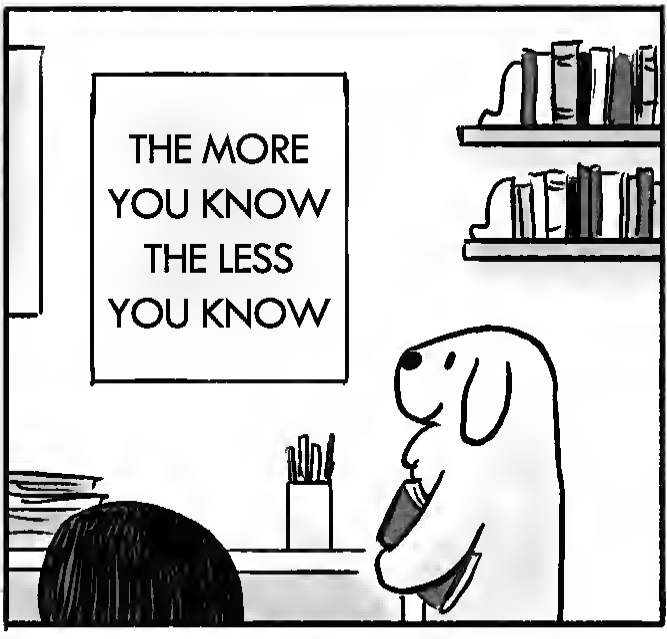
the wonderful world of books.

When I read books,

I feel like the authors invite me into their world.



Thank you so much, Doglas!
You are like a walking dictionary.
And encyclopedia!



That's why I always carry a book wherever I go.

I read when I go to work.

Reading also help me to become more humble, because I learned that there are so many things I don't know about.

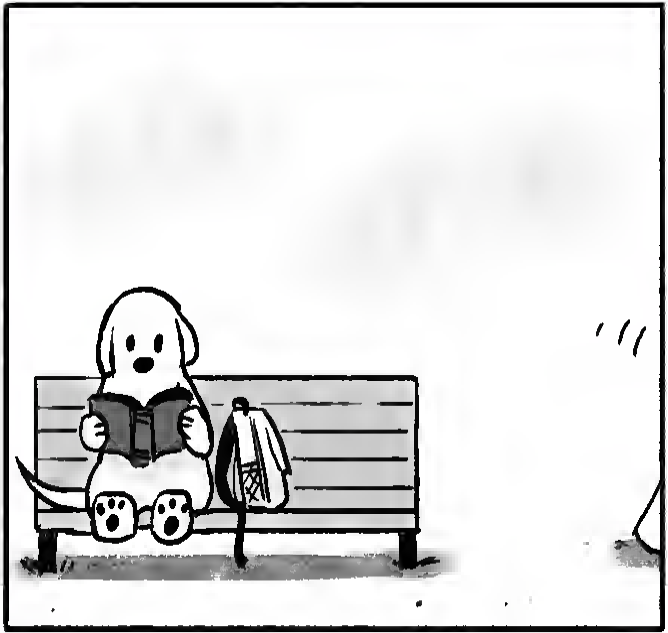
ROAR STREET JOURNAL

They say reading a good book is like taking a journey.

But sometimes, I need to pay more attention to my own journey and don't miss a stop.



This is really interesting.
I will research about it tonight.

Tiffany, Can you teach me some recipes?
I don't know much about desserts.
Sure! What do you want to make?
